Dear Sirs,

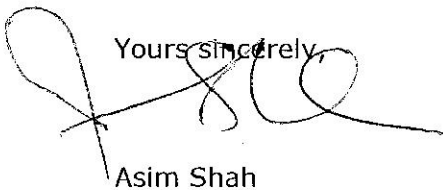

This is to confirm that I have invited Ms Diya Sharma to stay with us at the above address during her forthcoming business visit to London from 31st May, 2014 to 31st June, 2014.

I am a British citizen and have been living and working in London for more than 40 years. By profession I was a businessman in the IT industry.

I am 64 years old and am now retired, having sold my business a few years ago. My wife and I own and live in the property above which is a 4 bedroom house.

Diya is the daughter of a close friend of ours and has stayed with us for extended periods both when she was in London studying at the London School of Oriental and African Studies and on subsequent business visits.

Yours sincerely,
